

SEPTEMBER 2nd GA DOVE SEASON OPENER

GA Dove Season Opener

Georgia's 2023 dove season opens **Saturday September 2nd** reserve your spot now! Since this is as much a social outing as a hunt, we have put together two package options as we successfully did last year: Join us Friday evening for cocktails, followed by a gourmet dinner, and then spend the night. On Saturday morning after a hardy country breakfast, you will have a shooting warm up with a **Free Five Stand** clay shoot. After a special BBQ lunch, we will drop you off at your dove blind. The second option is to arrive Saturday morning in time for a **Free Five Stand** warm up shoot, followed by the BBQ lunch. Then after the dove shoot, the Bourbon Bar will be open, followed by dinner. After spending the night, depart after breakfast. The package price is \$450 per person. The first Saturday in September dove opener is a Southern tradition. Kick this one off by making it a very special experience. Burnt Pine is a healthy and safe environment.
